Note: See Note, [table 3.106.2006](#). These data represent all law enforcement agencies submitting complete reports for at least 6 common months in 2005 and 2006 (Source, Table 12). Forcible rape figures furnished by the State-level Uniform Crime Reporting (UCR) Program administered by the Minnesota Department of Public Safety for 2006 were not in accordance with national UCR guidelines. Also, complete data were not available for some Illinois jurisdictions for 2005 and 2006. Crime counts for Illinois for both years and forcible rape counts for Minnesota for 2006 were estimated by the Source. For definitions of offenses and areas, see [Appendix 3](#).

^aIncludes State police agencies with no county breakdown.

^bIncludes law enforcement agencies in cities with less than 50,000 inhabitants and county law enforcement agencies that are within a Metropolitan Statistical Area; excludes all metropolitan agencies associated with a principal city. The agencies associated with suburban areas also will appear in other groups within this table.
