Note: See Note, table 3.1.2005. Victimization rates may differ from those reported previously because the estimates are now based on data collected in each calendar year rather than data about events within a calendar year. For survey methodology and definitions of terms, see Appendix 8.

^eIncludes pocket picking, completed purse snatching, and attempted purse snatching.

^fIncludes thefts with unknown losses.

^aDetail may not add to total because of rounding.

^bDifferences between annual rates shown do not take into account any changes that may have occurred during interim years. Percent change calculated using unrounded rates.

^cDoes not include murder or manslaughter.

^dCompleted violent crimes include rape, sexual assault, robbery with or without injury, aggravated assault with injury, and simple assault with minor injury.
