Note: These data are from the National Crime Victimization Survey (NCVS) conducted for the U.S. Department of Justice, Bureau of Justice Statistics by the U.S. Census Bureau. The data presented are estimates based on a continuous survey of a representative sample of households in the United States and therefore are subject to sampling variation. "At school" is defined as in the school building, on school property, or going to and from school. For more information on the NCVS, see Note, [table 3.1.2005](#) and [Appendix 8](#).

^aNumbers are rounded to the nearest 100; due to rounding or missing cases, detail may not add to total.

^bIncludes rape, sexual assault, robbery, and aggravated and simple assault.

^cIncludes rape, sexual assault, robbery, and aggravated assault. Serious violent crimes also are included in violent crimes.

^dEstimate is based on fewer than 10 cases.

^eNo cases of this type occurred in the data.

^fThe Source recommends that users interpret this figure with caution.

^gFigure suppressed because reporting standards set by the Source were not met.
