Note: These data were compiled by the Federal Bureau of Investigation through the Uniform Crime Reporting (UCR) Program. On a monthly basis, law enforcement agencies report the number of offenses that become known to them in the following crime categories: murder and nonnegligent manslaughter, forcible rape, robbery, aggravated assault, burglary, larceny-theft, motor vehicle theft, and arson. Arrest statistics are compiled as part of this monthly data collection effort. Participating law enforcement agencies are instructed to count one arrest each time a person is taken into custody, notified, or cited for criminal infractions other than traffic violations. Annual arrest figures do not measure the number of individuals taken into custody because one person may be arrested several times during the year for the same type of offense or for different offenses. A juvenile is counted as a person arrested when he/she commits an act that would be a criminal offense if committed by an adult. Two offense categories, "curfew and loitering" and "runaway," are tabulated only for juveniles. Violations of local juvenile acts other than runaway and curfew and loitering law violations are included in the "all other offenses" classification (U.S. Department of Justice, Federal Bureau of Investigation, *Uniform Crime Reporting Handbook, 2004*, pp. 78-81 [Online]. Available: <http://www2.fbi.gov/ucr/handbook/ucrhandbook04.pdf>).

This table presents data from all law enforcement agencies submitting complete reports for 12 months in 2008 (Source, Table 38, Data Declaration). Population figures are estimates calculated from U.S. Census Bureau data. For definitions of offenses, see Appendix 3.

<sup>a</sup> Because of rounding, percents may not add to total.

<sup>b</sup> Violent crimes are offenses of murder and nonnegligent manslaughter, forcible rape, robbery, and aggravated assault.

<sup>c</sup> Property crimes are offenses of burglary, larceny-theft, motor vehicle theft, and arson.
