Note: The Director of the Administrative Office of the United States Courts (AO) is required, in accordance with 18 U.S.C. 2519(1), to transmit to Congress a report regarding applications for orders authorizing or approving the interception of wire, oral, or electronic communications. Every State and Federal judge is required to file a report with the AO on each application made. Prosecuting officials who have applied for intercept orders are required to submit reports to the AO. Forty-seven jurisdictions (the Federal Government, the District of Columbia, the Virgin Islands, and 44 States) had statutes authorizing the interception of wire, oral, or electronic communications during 2010; 26 of these jurisdictions had court-authorized orders for interception during 2010 (Source, **2010**, p. 6).
