Note: See Note, table 6.62.2004. "Clients in treatment" include hospital inpatient and non-hospital residential clients receiving substance abuse services at the facility on the reference dates, and outpatient clients who were seen at the facility for a substance abuse treatment or detoxification service at least once during the month prior to the survey and who were still enrolled in treatment on the reference date.

^aData for facilities operated by Federal agencies are included in the States in which the facilities are located.
