Note: See Note, table 6.16. These data represent inmates confined in jail facilities and exclude those under community supervision. For additional information on the Census of Jails, see Appendix 4.

<sup>a</sup>Detail may not add to total because some reporting units could not report data on sex or race/Hispanic origin of inmates.

<sup>b</sup>Includes American Indians, Alaska Natives, Asians, Native Hawaiians, and other Pacific Islanders.

<sup>c</sup>National estimates were calculated by summing the item values from reporting jail jurisdictions and then multiplying by a nonresponse adjustment factor. All estimates for inmates were rounded to the nearest 100.

<sup>d</sup>The Federal system did not report data on Hispanic origin of inmates.
