Note: See Note, table 6.28.2006. The data in this table represent all prisoners under jurisdiction of State and Federal correctional authorities including unsentenced prisoners and those sentenced to less than 1 year.

As of Dec. 31, 2001, the transfer of responsibility for sentenced felons from the District of Columbia to the Federal Bureau of Prisons was completed. The District of Columbia no longer operates a prison system. Some data have been revised by the Source and may differ from previous editions of SOURCEBOOK. For information on methodology and definitions of terms, see Appendix 15.

^aPrisons and jails form an integrated system. Data include total jail and prison population.

^bPopulation figures are based on custody counts.
