Note: See Notes, tables 6.3.2006 and 6.65.2006. For information on methodology and definitions of terms, see Appendix 15.

^aData for entries and exits were estimated for nonreporting county agencies.

^bData do not include parolees in one or more of the following categories: absconder, out of State, inactive, or have only financial conditions remaining.

^cParole population on Jan. 1, 2006 was estimated from the number reported for Dec. 31, 2005.

^dDue to a change in the State's recordkeeping procedures, data are not comparable to previous years.

^eBecause of incomplete data, the population for some jurisdictions on Dec. 31, 2006 does not equal the population on Jan. 1, 2006, plus entries, minus exits. Rates were computed using the estimated adult resident population in each State on Jan. 1, 2007.

^fDetail may not sum to total because of rounding.

^gIncludes an estimated 34,900 parolees under supervision in Illinois on Dec. 31, 2006.

^hSome or all data were estimated.
