Note: These data were collected by the U.S. Department of Justice, Bureau of Justice Statistics (BJS) through the National Prisoner Statistics (NPS-1) program and the Deaths in Custody Reporting Program (DCRP). The NPS-1 program collects yearend counts of prisoners from the 50 States and the Federal Bureau of Prisons. Prior to 2002, data for AIDS-related deaths and other prisoner deaths are from the NPS-1 program. In 2001, BJS began implementation of the DCRP. Beginning in 2002, data for prisoner deaths are based on a combination of NPS-1 and DCRP data. Some data have been revised by the Source and may differ from previous editions of SOURCEBOOK.

<sup>a</sup>At yearend 2001, responsibility for housing District of Columbia sentenced prisoners was transferred to the Federal Bureau of Prisons.
