

Women's Health Grand Rounds

Live - Thursday, March 27, 2008, 8:00am - 9:15am ET

Cancer Screening and Prevention: Eliminating Deaths from Cervical Cancer

Ann Anderson, MD, FCAP

Department of Pathology,
Long Island Jewish Medical Center

Christine Herde, MD, FACOG

Northern Dutchess Hospital,
Women's Care Center

Nicholas Montalto, MD, FACOG

Albany Gynecology and Fertility

Jacqueline Ford, MD, FACOG

Assistant Medical Director of Training and Education,
New York City Department of Health and Mental Hygiene

Maureen Killackey, MD, FACOG

Deputy Physician-in-Chief and Medical Director,
Regional Care Network

Kimberly A. Noyes, MD, MPH

Assistant Medical Director,
Immunization Program, New York State Department of Health

Improving providers' knowledge of cervical cancer, prevention and screening may help decrease the incidence of cervical cancer. With education about the HPV vaccine, providers will be encouraged to provide the vaccine in their practices. Many disparities (geographic, race, and access) to screening services exist across New York State. Improving and increasing early detection of cervical cancer can help reduce these disparities.

Registration

To register for a FREE satellite downlink or live webcast on your personal computer,

log on to: www.albany.edu/sph/coned/whgracogcancer.htm

Continuing Education Credits are available. See reverse side for details.

This program is sponsored by ACOG District II/NY.

Cancer Screening and Prevention: Eliminating Deaths from Cervical Cancer

Live - Thursday, March 27, 2008, 8:00am - 9:15am ET

Intended Audience: Women's health care providers and advocates including ob/gyns, family practice physicians, physician's assistants, nurses and nurse midwives.

Learning Objectives

At the end of this program participants will be able to:

- Describe the current evidence-based guidelines on cervical cancer screening
- Describe HPV and explain its relationship to cervical cancer and indications for HPV testing
- Explain the HPV vaccine, including current recommendations for its uses

CME credits and Nursing Contact Hours are available for participation in this program.

To receive continuing education credits for University at Albany satellite broadcasts and webcasts, you must:

1. View the broadcast live via satellite or webcast; as an archived, online webstream; or on video/DVD.
2. Complete the on-line evaluation and post-test
3. Achieve a grade of 80% correct on the post-test.

You will be able to print a certificate for CME, Nursing Contact Hours or generic CEUs for your records and submit it to your accreditation body.

University at Albany, School of Public Health is an approved provider of continuing nursing education by the New York State Nurses Association, which is accredited as an approver of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

For Nursing Contact Hours, the assigned code is 6VKSFE-PRV-06-155 and approved for 1.25 contact hours.

The University at Albany School of Public Health is accredited by the MSSNY to provide continuing medical education (CME) for physicians. The School designates this educational activity for a maximum of 1.25 AMA PRA Category 1 Credit(s)TM. Physicians should only claim credit commensurate with the extent of their participation in the activity.

This program will be available to watch as an archived webstream 2 weeks after the live broadcast.
