2. What equipment or programs will I need to view a live webcast?

- Internet access
- The latest version of Windows Media Player.
Download it here:
<http://www.microsoft.com/windows/WindowsMedia/player/>
- Speakers plugged in and turned on.
- The webcast link. (This is sent to you by e-mail after you register.)

3. If I can't watch this program live, when and how can I watch it?

- We archive all of our live webcasts. The archives are available about 2 weeks after the live program. Please visit www.albany.edu/sph/coned/t2b2chron.htm for a complete list.
- You will need RealPlayer to view all archived broadcasts. You can download a free version of RealPlayer here: http://www.real.com/realplayer.html?pp=choice&src=realplayer,111003r1choice_c1_1_2_1_1

4. Can I still watch the webcast in a large conference room?

- Yes. If you have a conference room with internet access you can set up a laptop/computer, LCD and speakers and project the webcast onto a screen.

5. How do I receive Continuing Education Credit for participating in this webcast?

- Visit www.phlive.org and click on List-Chronological in the right hand column.
- Click on the broadcast you viewed.
- Click on Continuing Education Credits in the right hand column.
 - Fill out the evaluation and post-test.
 - Be sure to check which type of credit you want to receive at the end of the post-test.
 - Print your certificate.

The screenshot shows the website for the School of Public Health at the University at Albany, State University of New York. The page is titled "Continuing Education" and features a webcast titled "Eliminating Health Disparities". The speakers listed are Susan Scrimshaw, PhD (Interim President of Sage Colleges) and Wade S. Norwood (Director of Community Engagement at Finger Lakes Health Systems Agency). A call-to-action button says "Click here to receive credit for viewing the program." On the right side, there are links for "ARCHIVED BROADCAST*", "HANDOUTS**", "EVALUATION", "CONTINUING EDUCATION CREDITS", and "PROMOTIONAL FLYER". The left sidebar includes a "PUBLIC HEALTH LIVE!" logo and navigation links for HOME, PROGRAMS, CENTERS, and RESOURCES.

6. Why do your webcasts start so early? (9:00 a.m. Eastern Time)

- Public Health Live – T2B2 has been broadcasting at this time for almost 10 years. We are funded by the New York State Department of Health and this time has been agreed on by the Public Health Live – T2B2 Committee as it is most convenient for our local viewers. We gladly offer all of our programs free of charge to other states via archived webstream if the live time is not convenient for your agency.
