Superintendent
Abraham Wing School

Kirsten Davison, MS, PhD

Assistant Professor
University at Albany, School of Public Health

Mark Fenton

Host
America's Walking

Catherine T. Lawson, PhD

Director, MRP Program
Associate Professor, University at Albany

Please join us after the broadcast for a reception and panel discussion. The panelists will present a lively discussion of the many facets of walking and bicycling to school, including: the wide variety of predictors and health benefits; some specific initiatives (e.g., walking school bus, walk our children to school day, bike rodeos); methods to make it safer and to allay parents' fears; and one superintendent's efforts to encourage her students to walk and bicycle to school.
