Basic Field Epidemiology Training Project

Registration Process

After enrolling in an online course, go to My Courses (under User Menu on the left side of the screen). Click on Launch Course under the Course Name to access the online course.

Note: You will be taken to the website that hosts the online course (UAlbany's Center for Public Health Preparedness's E-Learning Center). Make sure the Register tab is selected.

Fill in the boxes for first name, last name, and last 4 digits of your SSN. (You may use any 4 digits that you have no trouble memorizing.)

The screenshot shows the registration page for the 'Field Epidemiology' course. The page has a header for the University at Albany School of Public Health and the Center for Public Health Preparedness. A navigation menu on the left includes links like HOME, ABOUT US, BROADCASTS, CONTACT US, E-LEARNING CENTER, LINKS, NEWS & ANNOUNCEMENTS, ONSITE EVENTS, PODCAST, and RESOURCES/PINATA. The main content area has a 'Back to Course Listings and Login' button and tabs for Overview, CE Credits, Screens, and Register. The Register tab is selected. Below the tabs, there is a registration form with the following fields: First Name, Last Name, and Last four digits of your SSN. A 'Submit' button is at the bottom of the form. A red arrow points to the Register tab, and a black arrow points to the SSN field.

You will be asked to register for the E-Learning Center. (You will not see the screen below if you have already taken a course through the E-Learning Center.) Please be mindful to type your chosen username and password correctly.
