MRT Gold STAMP Project
Training Webinar:
The Braden Scale and Subscales

August 8, 2012  12-1:30pm ET

Guest Speaker: Barbara Braden, BSN, MS, PhD

Dr. Braden is best known for her work in the development of the Braden Scale for Predicting Pressure Sore Risk. This scale has become widely used in the U.S. as well as internationally and is a key component of the NYS Gold STAMP initiative. www.bradenscale.com

This webinar will provide education regarding the proper scoring of the Braden Scale and subscales as well as examples of applying the scoring results to interventions of care.

Webinar Objectives

After participating in this program, participants will be able to:
  - Identify the Six Subscales of the Braden Scale
  - Describe the relationship between the subscale total score and levels of risk of developing a pressure ulcer
  - Identify the 3 R’s of Interventions to diminish exposure to pressure ulcers

A one hour presentation followed by one half hour of questions and answers.

The webinar will be recorded and archived for future viewing:
