Hospital, Nursing Home and Home Care Agency staff are invited to attend a full day of education and networking on the statewide Gold STAMP program to prevent, treat and reduce pressure ulcers. This event will feature the experiences of the Gold STAMP collaboratives, the lessons learned, and the resources and strategies these cross-setting teams have used in working together to achieve their pressure ulcer improvement goals. Learn how the coach-based model strengthened these teams, communications systems were developed, innovative practices emerged, and resources can be shared.

CONFERENCE OBJECTIVES

At the end of the conference, participants will be able to:
- Discuss the value of a Cross-Setting Collaborative
- Evaluate a coach-based model for facilitating teams
- Identify strengths and barriers of working in cross-setting teams
- Discuss innovative practices to replicate in hospitals, nursing homes and home care agencies
- Incorporate Gold STAMP resources and tools into your work setting

POSTER PRESENTATIONS

Come and meet with our teams from across the state as they display work from their Gold STAMP Collaborative at our poster presentations during registration, breaks and lunch!
