OBJECTIVES

At the completion of this program participants will be able to:

1. Identify current CMS regulations regarding pressure ulcers affecting multiple care settings
2. Recognize the implications of CMS regulations on current practice
3. Describe trends and research that will impact practice in the area of pressure ulcers in the future
4. Apply research findings regarding skin tear classification in all practice settings
5. Identify preventative strategies for prevention, prediction and assessment of skin tears
6. Define the pathophysiology of skin at end of life

SPEAKERS

Elizabeth A. Ayello  PhD, RN, ACNS-BC, CWON, ETN, MAPWCA, FAAN

Elizabeth is an internationally recognized expert in skin, wound and ostomy care and holds two certifications; one in ostomy and wounds from WOCN-CB and the other from ANA as a clinical nurse specialist in medical surgical nursing. With over 40 years clinical, education and research experience, Elizabeth has served as president of the NPUAP and as a consultant to CMS on MDS 3.0 in LTC and LTCH as well as IRF-PAL for inpatient rehabilitation.

Elizabeth is the clinical editor for the international interdisciplinary journal, Advances in Skin and Wound Care as well as the Executive editor for the WCET journal. Elizabeth has also co-authored/edited Wound Care Essentials: Practice Principles and the Pocket Guide to Pressure Ulcers.

Sharon Baranoski MSN, RN, CWCN, APN, FAAN

Sharon is internationally recognized as an author, speaker, and consultant. She is President of Wound Care Dynamics, Inc. a nurse consultant service. Sharon has authored three editions of the textbook, Wound Care Essentials: Practice Principles; and over 100 articles, & numerous book chapters related to wound care topics.

Sharon has served as the Director of the Annual Clinical Symposium on Skin & Wound Care hosted by Lippincott, William and Wilkins for 28 years. She is the past President and an alumnus of the National Pressure Ulcer Advisory Board. Sharon is currently on the Board of Directors of the American Professional Wound Care Association; a Member of the World Council of Enterostomal Therapists and the Wound Ostomy & Continence Association. She is a member of the American Nurses Association and is a Fellow in the prestigious American Academy of Nursing.
