As part of the Every Mother Initiative, the New York State Department of Health invites you to join us for a live webinar:

**Hypertensive Disorders in Pregnancy: Changes in Diagnosis and Management Toward Improving Morbidity and Mortality**

Thursday, June 12, 2014
1:00pm — 2:30 pm

**Presenter:**
Peter Cherouny, MD
Emeritus Professor of Obstetrics, Gynecology and Reproductive Sciences
University of Vermont College of Medicine

**Objectives:**
- Describe recent changes in classification and diagnostic criteria of hypertensive disorders in pregnancy (HDP).
- Identify highlights of current care for HDP, including risk assessment, evaluation and counseling, & medication management.
- Differentiate best practices for management of hypertensive disorders in pregnancy in different clinical settings (i.e., pre-hospital, outpatient, inpatient, emergency department and postpartum).
- Explain how to achieve continuous quality improvement across the care spectrum.

**Target Audience:** Health care providers that care for pregnant and postpartum women, including:
- Physicians, nurses, emergency response, midwives, hospital staff and administration.
