

Workshop Goals

Learn the knowledge and skills to accurately and efficiently identify, understand and schedule various MDS 3.0 assessments, and understand the CAA process, including triggers, options for researching a trigger, and the care plan requirements. Ensure that each part of the larger RAI process is completed according to policy.

Workshop Objectives

As a result of attending this workshop, participants will be able to:

- Explain the benefits of the RAI
- Identify each MDS assessment and its appropriate use
- Define comprehensive and non-comprehensive assessments and their requirements
- Explain the ARD and completion requirements for each assessment
- Identify the timelines for completion of the MDS, CAAs, care plan, and submission
- Describe the CAA process
- Identify each of the CAAs
- Recognize the choices for researching a CAA
- Demonstrate documentation skills
- Explain the purpose and requirements of the care plan and its goals

Classes have limited seats to allow time to answer your questions and are taught by experienced nursing home professionals with hands-on MDS experience.

Instructors report no conflicts of interest.

Who Should Attend

This training is designed for participants who have either completed the MDS 3.0: An Introduction course, or have sufficient experience working with the MDS 3.0 to prepare them for an advanced course addressing the more complex issues of scheduling and the CAA process.

Registration Information

\$170 per person. Fee includes workbook, handouts, coffee and lunch. *Payment must accompany registration.*

Special Group Sessions

Large groups may save money by arranging a special training session. Call the School of Public Health at 518-402-0330 for details.

Nursing Contact Hours: 6

The School of Public Health, University at Albany, is an approved provider of continuing nursing education by the New York State Nurses Association, an accredited approver of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

It has been assigned Provider Code 7WDQEL-PRV-10.

Course number 7WDQEL-PRV-10-286.

Continuing Education Credit

Approved by NASW (6 hours), CDR (6 hours), CBDM (6 hours), NYSRPS (.6 units), NYS Dept. of Health Board of Nursing Home Administrators (6 hours).

Register Early!

Workshop size is limited. Due to high demand and limited space walk-ins are not accepted.

Registrations cannot be accepted by phone.

Registration Confirmation

Each registrant will receive written confirmation and directions, unless a workshop is full. In that case, the contact person listed on the registration form will be notified upon receipt of registration. No one will be admitted to a workshop without written confirmation. Workshops are filled on a first come, first served basis.

Cancellation Policy

To receive a refund for a confirmed registration, cancellations must be received in writing before the workshop date. (Refer to "Register by Mail" information on the reverse side for mailing address.) A \$25 processing fee will be deducted from the refund. Substitutions are welcome.

Additional Classes

Additional class sessions may be added if there is sufficient demand. Please check our website www.mds-ny.org for scheduling updates.

Don't miss out on the only Advanced MDS 3.0 training that is approved by the New York State Department of Health!

***Advanced
MDS 3.0: Beyond
the Basics***

Spring 2012

Let us introduce you to the more complex components of the MDS 3.0. From the CAA process to the scheduling requirements, this course will prepare you to succeed in scheduling and completing the MDS 3.0 process.

This program is presented in collaboration with the New York State Department of Health and representatives from New York State nursing home provider associations.
