☐ Check enclosed payable to the University at Albany ☐ Voucher enclosed (county facilities only)
Registration is not complete until payment is received. No purchase orders or phone reservations accepted.

Workshops are filled on a first come, first served basis. Each registrant will receive an email confirmation and directions.
MDS: An Introduction

Workshop Goals: Learn the details needed to ensure a successful implementation of MDS 3.0 and gain an overall understanding on how to use the Resident Assessment Instrument correctly. This workshop is designed as a complete review of MDS 3.0.

Workshop Objectives
As a result of attending this workshop, participants will be able to:

- Describe how Resident Assessment Instrument (RAI) links to the problemsolving process used by healthcare professionals
- Accurately code the MDS 3.0
- Describe the relationship between CAAs and Care Planning

MDS: Beyond the Basics

Workshop Goals: Learn the knowledge and skills to accurately and efficiently identify, understand and schedule various MDS 3.0 assessments, and understand the CAA process, including triggers, and the care plan requirements. Ensure that each part of the larger RAI process is completed according to policy.

Workshop Objectives
As a result of attending this workshop, participants will be able to:

- Describe the CAA process
- Explain the purpose and requirements of the care plan and its goals
- Identify the timelines for completion of the MDS, CAAs, Care Plan and Submission

Register Early!
Workshops have limited seats to allow time to answer your questions and are taught by experienced nursing home professionals with hands-on MDS experience. Due to high demand and limited space walk-ins are not accepted. Registration deadline is 1 week prior to the workshop date.

Registration Confirmation
Each registrant will receive an email confirmation and directions, unless a workshop is full. In that case, the contact person listed on the registration form will be notified upon receipt of registration. No one will be admitted to a workshop without written confirmation. Workshops are filled on a first come, first served basis.

Cancellation Policy
To receive a refund for a confirmed registration, cancellations must be received in writing via email before the workshop date. A $25 processing fee will be deducted from the refund. Substitutions are accepted.

Additional Sessions
MDS 3.0 Webinar Series
This webinar series covers the entirety of the MDS - from the role of administration, to the individual sections of the assessment, to an introduction to CAAs and scheduling requirements. With material now broken into shorter time segments, you can choose which modules are most important for you - or you can attend them all!

Additional in person sessions may be scheduled if there is sufficient demand. Please check our website www.mds-ny.org for scheduling updates.

Don’t miss out on the only MDS 3.0 training that is approved by the New York State Department of Health!

Fall 2013 Workshops:

MDS 3.0: An Introduction
Let us introduce you to the MDS 3.0. Whether or not you have prior experience with MDS, this course will be appropriate and beneficial as it will guide you step-by-step through the MDS 3.0.

MDS 3.0: Beyond the Basics
Designed for staff who have attended the MDS 3.0: An Introduction course or have comparable experience, this course will prepare you to master the CAA process and scheduling requirements of the MDS 3.0.

Who Should Attend
This training is designed for long-term care professionals who will be working with MDS 3.0. Participation by all members of the interdisciplinary team is strongly recommended for a comprehensive understanding of how to best use the MDS.

These programs are presented in collaboration with the New York State Department of Health and representatives from New York State nursing home provider associations.
