Center for Public Health Continuing Ed - MDS University at Albany, School of Public Health One University Place, GEC 202 Rensselaer, NY 12144-3456
**MDS: An Introduction**

**Workshop Goals:** Learn the details needed to ensure a successful implementation of MDS 3.0 and gain an overall understanding on how to use the Resident Assessment Instrument correctly. This workshop is designed as a complete review of MDS 3.0.

**Workshop Objectives**
As a result of attending this workshop, participants will be able to:
- Describe how Resident Assessment Instrument (RAI) links to the problem-solving process used by healthcare professionals
- Accurately code the MDS 3.0
- Describe the relationship between CAAs and Care Planning

**Register Early!**
Workshops have limited seats to allow time to answer your questions and are taught by experienced nursing home professionals with hands-on MDS experience. Due to high demand and limited space walk-ins are not accepted.

Registarion deadline is 1 week prior to the workshop date.

**Registration Confirmation**
Each registrant will receive an email confirmation and directions, unless a workshop is full. In that case, the contact person listed on the registration form will be notified upon receipt of registration. No one will be admitted to a workshop without written confirmation. Workshops are filled on a first come, first served basis.

**Cancellation Policy**
To receive a refund for a confirmed registration, cancellations must be received in writing via email before the workshop date. A $25 processing fee will be deducted from the refund. Substitutions are accepted.

**Additional Sessions**
Additional in person sessions may be scheduled if there is sufficient demand. There is also a MDS 3.0 Webinar Series held twice during the year. Please check our website www.mds-ny.org for schedules.

**For more information, contact:**
Phone 518-402-0330
Fax 518-402-1137
coned@albany.edu

**MDS: Beyond the Basics**

**Workshop Goals:** Learn the knowledge and skills to accurately and efficiently identify, understand and schedule various MDS 3.0 assessments, and understand the CAA process, including triggers, and the care plan requirements. Ensure that each part of the larger RAI process is completed according to policy.

**Workshop Objectives**
As a result of attending this workshop, participants will be able to:
- Describe the CAA process
- Explain the purpose and requirements of the care plan and its goals
- Identify the timelines for completion of the MDS, CAAs, Care Plan and Submission

**Don’t miss out on the only MDS 3.0 training that is approved by the New York State Department of Health!**

**Spring 2015 Workshops:**

**MDS 3.0: An Introduction**
Let us introduce you to the MDS 3.0. Whether or not you have prior experience with MDS, this course will be appropriate and beneficial as it will guide you step-by-step through the MDS 3.0.

**MDS 3.0: Beyond the Basics**
Designed for staff who have attended the MDS 3.0: An Introduction course or have comparable experience, this course will prepare you to master the CAA process and scheduling requirements of the MDS 3.0.

These programs are presented in collaboration with the New York State Department of Health and representatives from New York State nursing home provider associations.
