COOPERATIVE AGREEMENT
Between the
SCHOOL OF PUBLIC HEALTH
UNIVERSITY AT ALBANY, STATE UNIVERSITY OF NEW YORK
And the
SCHOOL OF PUBLIC HEALTH
SUN YAT-SEN UNIVERSITY
PEOPLE'S REPUBLIC OF CHINA

In order to advance friendly relations between the United States of America and the People's Republic of China, the School of Public Health, University at Albany, State University of New York, and the School of Public Health, Sun Yat-Sen University join in the following agreement on the promotion of educational and academic exchanges between the two universities in the area of public health.

Both universities will make every reasonable effort to encourage direct contact and research cooperation between their faculty members of the respective schools under the provisions of this agreement, and endeavor to cooperate in the field of public health with which both parties are concerned. Both universities agree on the following general forms of cooperation within spheres of mutually interest:

1. Exchange of faculty members for research, lectures, and discussion.
2. Exchange of academic materials and academic publications.
3. Joint research activities.
4. Exchange of graduate and undergraduate students for study and research.

Themes of joint activities, the conditions for utilizing the results achieved, and arrangements for specific visits, exchanges, and other forms of cooperation shall be negotiated for each specific case.

Both universities understand that all financial arrangements shall be negotiated and will depend upon the availability of funds.

It is understood that the implementation of this agreement will commence on the 1st day of _____ 2010, and that this agreement will continue thereafter for five years, subject to revision or modification by mutual agreement. The terms and renewal of the agreement shall be discussed by the representatives of the two universities no less than six months prior to its expiration.
