**The Winds of Change: The Evolving Long Term Care Environment**

**Target Audience:** Discharge planners and other professionals involved in the discharge planning process, including but not limited to physicians, nurses, physician assistants, nurse practitioners, health educators and other health professionals working in facility based health settings.

**Learning Objectives**
At the end of this program, participants will be able to:
- List the four managed long term care products currently available in New York State.
- Recognize the difference between a partial Managed Long Term Care (MLTC) Plan and a Fully Integrated Duals Advantage (FIDA) Plan.
- Define the program model of care in the managed care delivery system.
- Identify NY Medicaid Choice as a resource to help educate consumers on managed care services.

CME, CNE, CHES, and Social Work credits are available for participation in this program. To receive continuing education credits for School of Public Health, University at Albany webinars, you must:
1. View the webinar live or On Demand.
2. Complete the on-line evaluation and post-test.
3. Achieve a grade of 80% correct on the post-test.
