Macro Project Assignment Summary

Complete the following questions regarding your macro project assignment. If the project included a tangible finished product, please attach a copy (Brochure, report, summary document).

1. Describe the goal of your project. What did you intend to accomplish? Why is this significant to your setting?

2. What steps did you proceed through in an attempt to reach your goal?

3. Describe the final outcome to your project and to what degree it was successful.

4. What recommendations might you have for someone working on this topic at your placement in the future?
