University at Albany
A premier public research university that expands knowledge, transforms minds, and brings the world within reach.

- We attract diverse,\(^1\) highly qualified, and highly motivated students.
- We provide outstanding education and an excellent student experience, preparing students for their futures.
- We sustain and grow research, discovery, and creative work that transforms lives, knowledge, and communities.
- We engage in strategic partnerships for educational, scholarly and societal benefit.
- We are committed to access, diversity, inclusion, and equity in all that we do.
- We are widely recognized for our many strengths and successes, on campus and off.
- We have a strong sense of community, common purpose, and lifelong pride in the University.

---

\(^1\) Diversity of students includes demographic, geographic, and cultural factors and also the diversity of ways of being a student—online, adult, non-traditional, transfer, and the like
