How to Apply

Applying to be in an L-LC is easy!

The Living-Learning Community application is part of the University at Albany’s housing application process, available through your MyUAlbany account.

- Select the community you would like to join from the list
- Select your potential major (including “undecided”), so we can be sure the L-LC is a good fit for you
- Tell us why you would like to be a member of the L-LC you have chosen and how you can contribute to that particular community

Students who are selected to be members of their chosen L-LC will be notified via university email beginning in late June.

Recent national studies have shown that living-learning communities positively impact student success!

World of Accounting
The World of Accounting is designed for incoming freshmen considering a career in accounting.* Students in this Living-Learning Community live and take classes with other freshmen who share an interest in accounting, and are introduced to the academic and social expectations of a career in accounting through co-curricular activities. In the past, some of these events have included:

- Meetings with representatives from the Big Four Accounting firms
- Social gatherings with your L-LC friends
- Guest speakers
- Résumé building, networking, and interview skills workshops
- Career Services presentations on finding and securing internships opportunities

*This community is open to intended accounting majors, including those who have been directly admitted to the School of Business, intended math, and intended actuarial science majors.

Living
As a member of the World of Accounting you will live with other incoming freshmen who share your interest in accounting.

Learning
You will take one or two of your classes together in the fall and spring semesters of your freshman year, and attend co-curricular events together as a community.

Community
As a member of an L-LC you will have a built-in community of friends and colleagues right from the start!

Friends: Study and socialize with fellow L-LC members. Tackle those first-year courses with your friends by forming study groups where you live!

World Ambassadors: Learn the ropes from a peer selected from last year’s most engaged L-LC students.

Community Assistant: Meet weekly with an upperclass/graduate student to plan or attend social, academic, and community service events.

Lead Faculty Member: Get to know a member of the faculty outside of the classroom at weekly lunches in your own dining hall!

Leadership Opportunities: Become a World Representative. Go on to assume a campus-wide leadership role.

Responsibilities of an L-LC Member
- Register for the designated L-LC classes
- Attend lunch with the lead faculty member, and weekly L-LC meetings/activities with the Community Assistant
- Participate in fun All-World Events with the other L-LCs (typically two per semester).
- Perform community service with your L-LC each semester
- Be a vital and engaged member of the University at Albany community
