How to Apply

Applying to be in an L-LC is easy!
The Living-Learning Community application is part of the University at Albany’s housing application process, available through your MyUAlbany account.

- Select the community you would like to join from the list
- Select your potential major (including “undecided”), so we can be sure the L-LC is a good fit for you
- Tell us why you would like to be a member of the L-LC you have chosen and how you can contribute to that particular community

Students who are selected to be members of their chosen L-LC will be notified via university email beginning in late June.

Student Engagement
Office of the Vice Provost for Undergraduate Education
works to provide opportunities and pathways for students to be active and engaged in their studies, both inside and outside the classroom.

WORLD OF CAREER DISCOVERY

“Uncertainty is good; it means you are open to new things. In the World of Career Discovery we appreciate uncertainty and explore different careers together.” - Nathaly Mucha, World Representative

Check us out on our All World: UAlbany Living Learning Communities Facebook page!
Recent national studies have shown that living-learning communities positively impact student success!

**World of Career Discovery**

The World of Career Discovery is designed for incoming freshmen who would like to explore different majors, minors, and career options while learning practical internship and job search strategies. By being in this World, students can clarify their interests, skills, values, and personality and learn how to make the most of their college experience. In addition to social gatherings with their L-LC friends, students in the World of Career Discovery will take part in a number of workshops and seminars covering topics such as:

- Social Media in career development
- Résumés and cover letters
- Internship and job searches
- Networking
- Interviewing
- Business Etiquette

The World of Career Discovery is the perfect place for students who have not yet decided on a major and are open to all of the possibilities!

**Living**

As a member of the World of Career Discovery you will **live with other incoming freshmen** interested in exploring the variety of academic and career paths available at the University at Albany.

**Learning**

You will **take one or two of your classes together** in the fall and spring semesters of your freshman year, and attend co-curricular events together as a community.

**Community**

As a member of an L-LC you will have a built-in community of friends and colleagues right from the start!

- **Friends:** Study and socialize with fellow L-LC members. Tackle those first-year courses with your friends by forming study groups where you live!
- **World Ambassadors:** Learn the ropes from a peer selected from last year’s most engaged L-LC students.
- **Community Assistant:** Meet weekly with an upperclass/graduate student to plan or attend social, academic, and community service events.
- **Lead Faculty Member:** Get to know a member of the faculty outside of the classroom at weekly lunches in your own dining hall!
- **Leadership Opportunities:** Become a World Representative. Go on to assume a campus-wide leadership role.

**Responsibilities of an L-LC Member**

- Register for the designated L-LC classes
- Attend lunch with the lead faculty member, and weekly L-LC meetings/activities with the Community Assistant
- Participate in fun All-World Events with the other L-LCs (typically two per semester).
- Perform community service with your L-LC each semester
- Be a vital and engaged member of the University at Albany community

For more information about the World of Career Discovery, including classes and activities, or to learn more about the responsibilities of being in an L-LC, please visit our website.
