How to Apply

Applying to be in an L-LC is easy!

The Living-Learning Community application is part of the University at Albany’s housing application process, available through your MyUAlbany account.

- Select the community you would like to join from the list
- Select your potential major (including “undecided”), so we can be sure the L-LC is a good fit for you
- Tell us why you would like to be a member of the L-LC you have chosen and how you can contribute to that particular community

Students who are selected to be members of their chosen L-LC will be notified via university email beginning in late June.

World of Creativity & Entrepreneurship

“L-LC students learn and have fun together, so they bond on both a social and intellectual level.” - L-LC Community Assistant

Check us out on our All World: UAlbany Living Learning Communities Facebook page!
Recent national studies have shown that living-learning communities positively impact student success!

**World of Creativity and Entrepreneurship**
The World of Creativity and Entrepreneurship is designed for freshmen of any major who want to learn how to translate their creative ideas into reality and make a difference in the world. Entrepreneurial perspectives and skills can help you be successful in any field and any type of endeavor, whether it’s a philanthropic effort, an artistic exhibit, a concert series, or a commercial business. In the World of Creativity and Entrepreneurship you will:

- Be inspired by stories of entrepreneurs in many different fields
- Learn about the traits that enable successful people to navigate the path from raw idea to tangible product or useful service to successful enterprise
- Have opportunities to practice skills that will help you be effective in your desired field
- Be introduced to people, programs and resources that will support you throughout your career at UAlbany and beyond

The World of Creativity and Entrepreneurship is open to all majors!

**Living**
As a member of the World of Creativity and Entrepreneurship you will **live with other incoming freshmen** who share your interest in turning ideas into reality.

**Learning**
You will **take one or two of your classes together** in the fall and spring semesters of your freshman year, and attend co-curricular events together as a community.

**Community**
As a member of an L-LC you will have a built-in community of friends and colleagues right from the start!

- **Friends:** Study and socialize with fellow L-LC members. Tackle those first-year courses with your friends by forming study groups where you live!
- **World Ambassadors:** Learn the ropes from a peer selected from last year’s most engaged L-LC students.
- **Community Assistant:** Meet weekly with an upperclass/graduate student to plan or attend social, academic, and community service events.
- **Lead Faculty Member:** Get to know a member of the faculty outside of the classroom at weekly lunches in your own dining hall!
- **Academic Advisor:** The World of Creativity and Entrepreneurship has its own Academic Advisor to help you plan your UAlbany pathway to success.
- **Leadership Opportunities:** Become a World Representative. Go on to assume a campus-wide leadership role.
