Applying to be in an L-LC is easy!

The Living-Learning Community application is part of the University at Albany’s housing application process, available through your MyUAlbany account.

- Select the community you would like to join from the list
- Select your potential major (including “undecided”), so we can be sure the L-LC is a good fit for you
- Tell us why you would like to be a member of the L-LC you have chosen and how you can contribute to that particular community

Students who are selected to be members of their chosen L-LC will be notified via university email beginning in late June.

Learn Where You Live

Engage | Learn | Succeed
Recent national studies have shown that living-learning communities positively impact student success!

World of Psychology
The World of Psychology is designed for incoming freshmen who intend to major in psychology. The focus will be to explore all the different branches of psychology and to prepare students with the tools they will need to be successful at UAlbany. Students will take classes and live with others who share their interest in psychology and will also meet and develop relationships with psychology professors. L-LC members will participate in a variety of activities including:

- Guest speakers knowledgeable in the many areas of psychology and psychology research
- Social gatherings with your L-LC friends
- Resume building, interview skills and presentations by Career Services
- Exploring different careers that psychology majors pursue
- Planning for your future as a psychology major through panel discussions, events, and activities

The World of Psychology is open to all intended psychology majors.

Living
As a member of the World of Psychology you will live with other incoming freshmen who share your interest in psychology.

Learning
You will take one or two of your classes together in the fall and spring semesters of your freshman year, and attend co-curricular events together as a community.

Community
As a member of an L-LC you will have a built-in community of friends and colleagues right from the start!

Friends: Study and socialize with fellow L-LC members. Tackle those first-year courses with your friends by forming study groups where you live!

World Ambassadors: Learn the ropes from a peer selected from last year’s most engaged L-LC students.

Community Assistant: Meet weekly with an upperclass/graduate student to plan or attend social, academic, and community service events.

Lead Faculty Member: Get to know a member of the faculty outside of the classroom at weekly lunches and campus activities.

Academic Advisor: The World of Psychology has its own Academic Advisor to help you plan your UAlbany pathway to success.

Leadership Opportunities: Become a World Representative. Go on to assume a campus-wide leadership role.

Responsibilities of an L-LC Member
- Register for the designated L-LC classes
- Attend lunch with the lead faculty member and weekly L-LC meetings/activities with the Community Assistant
- Participate in fun All-World Events with the other L-LCs (typically two per semester).
- Perform community service with your L-LC each semester
- Be a vital and engaged member of the University at Albany community

For more information about the World of Psychology, including classes and activities, or to learn more about the responsibilities of being in an L-LC, please visit our website. www.albany.edu/student_engagement
