How to Apply

The Living-Learning Community application is part of the University at Albany’s housing application process and will be available to you when you apply for housing through MyUAlbany as of May 1, 2017.

- Select the L-LC you would like to join from the list.
- Select your intended major (including “undecided”), so that the staff in Student Engagement can be sure the preferred L-LC will be a good fit for you.
- Tell us why you would like to be a member of the L-LC you have chosen and how you can contribute to that particular community.

**Students who are selected to be members of their chosen L-LC will be notified via University at Albany e-mail beginning late June.**

Questions about the L-LCs can be directed to Student Engagement at studentengagement@albany.edu.

General questions about housing and roommate assignments can be directed to the Department of Residential Life at reslife@albany.edu.

Learn Where You Live
The World of Security, Risk, and Resilience is a world that helps students prepare for, protect against, respond to, and recover from a growing array of natural and human-caused risks and threats in New York State and around the world. Network with the professionals working to keep New Yorkers safe while engaging in hands-on training and simulations and be a part of research on emergency preparedness, homeland security, and cybersecurity. L-LC members will participate in a variety of activities including:

- Tours of NYS centers and offices that respond to disasters
- Meet with the Director of Experiential Education and External Partnerships to get a leg up on interesting and career-opening hands-on learning opportunities
- Explore different options for majors and associated careers in emergency preparedness, homeland security, and cybersecurity

This community is open to freshmen intending on majoring in Emergency Preparedness, Homeland Security, and Cybersecurity.

Living

As a member of the World of Security, Risk, and resilience, you will live with other incoming freshmen who share your interest in Emergency Preparedness, Homeland Security, and Cybersecurity.

Learning

You will take one or two of your classes together in the fall and spring semesters of your freshman year and attend co-curricular events together as a community.

Community

As a member of an L-LC, you will have a built-in community of friends from the start!

Friends: Study and socialize with fellow L-LC members. Tackle those first-year courses with your friends by forming study groups where you live!

World Ambassadors: “Learn the ropes” from peers selected from last year’s most engaged L-LC students.

Community Assistant: Meet weekly with an upper-class/graduate student to plan or attend social, academic, and community service events.

Lead Faculty Member: Get to know a member of the faculty outside of the classroom at weekly lunches or dinners in your own dining hall!

Academic Advisor: Each L-LC has its own Academic Advisor to help you plan your pathway to success.

Leadership Opportunities: Become a World Representative. Go on to assume a campus-wide leadership role.
