The Living-Learning Community application is part of the University at Albany’s housing application process, available through your MyUAlbany account.

- Select the community you would like to join from the list
- Select your potential major (including “undecided”), so we can be sure the L-LC is a good fit for you
- Tell us why you would like to be a member of the L-LC you have chosen and how you can contribute to that particular community

Students who are selected to be members of their chosen L-LC will be notified via university email beginning in late June.

Recent national studies have shown that living-learning communities positively impact student success!

**World of Social Justice and Service**
The World of Social Justice and Service is designed for incoming freshmen with a passion for community service and an interest in social justice. This Living-Learning Community offers students the opportunity to develop a deeper understanding of the roots of service in America through a social justice lens while living and serving with others who share a commitment to service. The World of Social Justice and Service will participate in events like:

- Food drive to support local youth program
- Habitat Home Building
- Charity walks and runs
- Social gatherings with your L-LC friends
- Culturally themed dinners
- Cook breakfast for folks without a home
- Neighborhood cleanups

The World of Social Justice and Service is perfect for students from all majors who are interested in actively improving the well-being of individuals and communities in need.

**Living**
As a member of the World of Social Justice and Service you will **live with other incoming freshmen who share your interest** in serving the community.

**Learning**
You will **take one or two of your classes together** in the fall and spring semesters of your freshman year, and attend co-curricular events together as a community.

**Community**
As a member of an L-LC you will have a built-in community of friends and colleagues right from the start!

- **Friends:** Study and socialize with fellow L-LC members. Tackle those first-year courses with your friends by forming study groups where you live!
- **World Ambassadors:** Learn the ropes from a peer selected from last year’s most engaged L-LC students.
- **Community Assistant:** Meet weekly with an upperclass/graduate student to plan or attend social, academic, and community service events.
- **Lead Faculty Member:** Get to know a member of the faculty outside of the classroom at weekly lunches in your own dining hall.
- **Academic Advisor:** The World of Social Justice and Service has its own Academic Advisor to help you plan your UAlbany pathway to success.
- **Leadership Opportunities:** Become a World Representative. Go on to assume a campus-wide leadership role.
