## E-BILLS

- Do you have an e-bill on epay?? Go to the above website address and view your e-bill that you received electronically! Don't delay!! Avoid late payment fees and holds on your student account and remit payment by the 15<sup>th</sup> of the month!
- Do you have a parent or designee that assists you with paying your tuition invoices??? Be sure to sign on to the "Suite" at the above address, click on the "authorized user tab" and authorize your parent(s) or designee to view and pay your electronic invoice on-line!
- Please note if you register before the first invoice of the term, you will receive a paper AND electronic tuition invoice. First summer 2008 invoices will be sent on April 21, 2008. First fall 2008 invoices will be sent on July 21, 2008. Again, if you are registered by these dates, you will receive a paper copy and an electronic bill for these first invoices. Thereafter, you will only receive electronic invoices for the remainder of the term.
- An e-mail will be sent to your UAlbany email account to notify you of when your e-bill is ready to be viewed. It is very important to check your UAlbany email account frequently for these messages regarding your e-bill so that you can remit payment by the due date and avoid the assessment of late payment fees and holds on your account.
- Remember, you may review your anticipated aid detail on your MyUAlbany account.

Yes, it is all that simple! So, take advantage of our new and convenient electronic services!
