Where is My Refund?

For students who have a credit on their account, refunds are issued around the start of the term.

Aid comes at a variety of times & a refund cannot be issued without a credit. If you are waiting for your financial aid...

Go to MyUAlbany, confirm your ToDo list items have all been completed. If so, your aid should appear as Anticipated Aid.

When your Financial Aid arrives & creates a credit, your "Anticipated Aid" will become a Posted Payment...

Your refund should be issued on the following business day.

Your Money (Faster + Easier) = E-Refunds
