Dear UAlbany Student:

With the arrival of warmer weather, we anticipate an increase in crimes and parties/social gatherings off campus. With this in mind, we would like to provide you with some tips about your safety and your behavior off campus this spring.

Three simple A, B and Cs about your safety:
Always walk with others-in groups of three or more if possible.
Be aware of your surroundings always.
Control how much you drink if you elect to drink alcohol-an intoxicated individual can be an “easy target.”

Additionally, we would like to remind everyone that the Student Code of Conduct, Community Rights & Responsibilities, applies to you whether you are on or off-campus and any arrests made in the City of Albany will be referred to the Office of Conflict Resolution and Civic Responsibility for follow-up. For more information on the code of conduct, please click here. Also, if you decide to host a party/social gathering at your apartment off campus, please review some suggestions about how do so responsibly and safely by clicking here.

Thank you.
