“Students want opportunities to develop leadership skills and to network with other student leaders.”

**WE RESPONDED:**
Student Leadership retreat was reorganized to incorporate leadership training exercises and encourage interaction among different organizations.

**THE RESULTS:**
After attending the 2011 Student Leadership Retreat:
- 62% reported they gained confidence in their leadership ability;
- 53% reported networking with someone new.

**Methodology:** 14 Respondents to the Emerging Leaders Evaluation 2011 survey administered electronically through CampusLabs between November 30, 2011 and December 16, 2011.
