

UAlbany Summer Program at the AIP Language Institute in Valencia, Spain

LANGUAGE LEVEL FORM

Please complete this form and return to the UAlbany Study Abroad Office.

Please indicate below which level of language proficiency you currently have.

Although all students are **required** to take a placement test upon arriving in Valencia, it is important that we understand your desired level of coursework. With this information we will be able to work with you to ensure you receive credits at the appropriate level to complete requirements established by your home campus. This form also will help us determine the classes we need to offer for the program.

Please remember that this form does not take the place of the placement test. Those results will be used to determine your language courses in Valencia. However, this form could help us work with you if there is any question regarding the results of your placement test.
