UNIVERSITY AT ALBANY, DEPARTMENT OF THEATRE DESIGN AND PRODUCTION
Our Program is **Student-Centric**

As a Theatre Major, you will actively participate in your education. Each class and production assignment is designed to train you for work in Professional Theatre.

Our Student/Faculty Ratio is *UN*-beatable. Come and work closely with highly trained, and dedicated faculty—working professionals in various areas of Theatre.
We strive to weave classroom work and production work together at every turn.

Under the supervision and mentorship of faculty, students are placed in leadership positions for each production.

This is truly an invaluable experience as part of your Education.
Production Assignments Include:

- Costume, Light, Sound, and Set Designers
- Assistant Designers to Faculty
- Technical Directors, Assistant TDs
