Dear UAlbany Transfers,

Congrats on making it this far your first semester, we are almost to the end! There are a few things going on before the end of the semester. This issue will give you the rundown of the most popular events to look out for. Good luck on finals, study hard! As always, let us know if you need anything!

**Transfer Highlight Of The Month!**

**TRANSFERS IN THE NEWS!** With the help of many transfer students, Tau Sigma (the National Transfer Honor’s Society) and the Office of Student Engagement UAlbany (TTLs) assembled approximately 100 care packages for Senior Services of Albany on Friday, Nov. 20. These packages will be delivered to local seniors to provide them with food for their Thanksgiving Day through the Meals on Wheels Program.

For all those that helped with this incredible service, THANK YOU! And shout to TTL, Jamie Frankenfield and the World of Transfer Excellence for your time in making this happen!

Paisley Fisher

Hi! I am Paisley Fisher and one of your Transfer Transition Leaders. I am from New Rochelle, New York. I am majoring in Criminal Justice with a minor in sociology. I transferred to UAlbany in Fall of 2014. UAlbany has given me a lot of opportunities and experiences, after my first semester here I really got to spread my wings! I hope you guys (if you have not yet) dip your toes into different clubs and organizations on campus and find your place! Please do not hesitate to e-mail me at pmfisher@albany.edu if you have any other questions! Go Great Danes!

My name is Denise Brunskill. I’m a junior psychology major and sociology minor from Long Island, NY. I love shopping and anything that involves food. I hope to one day be a psychiatrist or a mental health counselor. In my spare time you will find me spending time with family or watching Christmas movies.
