

HUGH L. CAREY 51ST GOVERNOR OF NEW YORK STATE

Hugh L. Carey was elected the 51st Governor of New York in 1974, and re-elected in 1978. Carey, the architect of the financial plan that prevented the bankruptcy of New York City, also began a sweeping program of fiscal reform and economic development to restore the state's vitality. His extensive \$2.5 billion-plus tax-reduction program was key to restoring New York's competitive economy in the 1970s. One of his earliest acts as governor was signing the historic Willowbrook Consent Decree, committing New York State to sweeping reforms in the care of the developmentally disabled. Carey also dealt with such controversial problems as Love Canal and the pollution of the Hudson River. He instituted the "I Love New York" program and founded the Empire State Games. Carey became a nationally recognized spokesman for regional concerns, and a proponent of comprehensive programs for urban and industrial revitalization. He founded the Conference of Northeast Governors (CONEG).

Carey serves on the corporate board of Triarc Companies. He is a member of the North American Board of the Smurfit Graduate School of Business, UCED, where a chair in Organizational Behavior has been established in his name. The honorary chairman of the Paul Robert Carey Foundation, Carey is also a trustee of the Flax Trust, which works to promote economic development and reconciliation in Northern Ireland. He has been honored by numerous nonprofit organizations, including the New York City Landmarks Conservancy, Saint John's University and the New York State Council on the Disabled, and is a frequent honoree and guest speaker for religious, educational, health, government and social service institutions.

Carey attended St. Augustine's School in Park Slope, N.Y., and graduated from St. John's University and St. John's University Law School with the degree of Juris Doctor. He served with the New York National Guard; received the Combat Infantryman Badge, the Bronze Star and the Croix de Guerre; and left active duty with the rank of colonel. Carey was elected to the U.S. House of Representatives from the 12th Congressional District in Brooklyn in 1960, returning for six more terms from the 15th Congressional District after district lines were redrawn.

Governor Carey and our past laureates have enriched our community in distinctive ways – economically, scientifically, culturally, intellectually, and socially – and, taken together, their efforts continue to transform our region and state.

The Citizen Laureate Awards are sponsored by The University at Albany Foundation and have been presented to individuals for the past twenty-nine years to recognize their extraordinary accomplishments. The Community Laureate Award honors individuals for their outstanding contributions to the Capital Region and beyond. The Academic Laureate Award recognizes individuals for their notable achievements in academia and research. This year features a special Anniversary Laureate Award in honor of the 30th anniversary of the signature event.

The proceeds from this event will be used to support The University at Albany Foundation's Campaign for Students, which supports student programs and our ability to ensure their access to the finest higher education experience possible. Established in 1967 to encourage philanthropic support, The Foundation continues to advance the University's strategic goals and sponsors efforts to build ties to the community
