How To Prevent The Loss of Your SUNYCard

Here are some steps you can take to prevent the loss or theft of your SUNYCard:

• Use the same crime prevention strategies you would with cash or a credit card

• Just as you would with a credit card, keep your SUNYCard in a secure location when it is not on your person

• Do not loan or give your card to another person

• As with all valuables, do not leave your SUNYCard unattended

• If you lose your card, cancel it immediately at www.albany.edu/uas and go to “Deactivate Lost SUNYCard” under “Related Links”
