Dear Ms. Calautti:

Please accept this letter as a heartfelt thanks to you and the Program Committee for the funds that UAS provided to support the Performing Arts Center's May 13, 2006 performance by improv comedy troupe Chicago City Limits. One of the PAC's major goals is to bring professional artists to campus each semester and your assistance helped make this possible. The performance was very well received by the audience and we are considering having them back along with the other touring artists that we have contracted for the coming year.

Enclosed you will find the payment receipt form that came with the check. Also enclosed are promotional materials for the performance that recognize the support from UAS.

Once again, many thanks for your support and confidence in our programs.

Sincere regards,

Kim M. Engel  
Assistant Director
