Breast cancer talk stresses early detection

By Andrew Amelinckx

For the second year in a row, a community-based initiative was held to ensure that women could find out what services were available, from free or low cost health insurance to free transportation to get to and from medical appointments. Free breast cancer screenings are being offered at the Hudson Medical Office Building at 17 Prospect St. in Hudson, during the Discover Germantown celebration held Sunday, from 5:30 to 7:30 p.m. and Thursday, during the Glimmerglass International Film Festival, from 7:30 to 9:30 p.m.
