

GIS Fall 2007

Assignment Chapter 1

(1) Q1. What does FGDC stand for? (1 point)

(2) Q 3. Does ArcMap draw the top layer in the table of contents first? (1 point)

(3) Q4. List the other classification methods besides manual that are available in ArcMap. (1 point)

(4) Print out a view of Task 2 *emidalat* in ArcMap (after step 9) with streams on top.

Pull up your Task2.mdb in ArcMap, press the control and Print Screen keys on the keyboard. Open a picture editing program (like Photoshop), go to File – New and hit return. Select paste once your blank page comes up. You can then save this as jpg and print it (in color). (2 points)

(5) Do Challenge Task, print ArcMap similar to Task 2. (5 pts)
