1. Introduction
   1st team goes to front of classes and takes 5 minutes to introduce their company. Then the 2nd team takes 5 minutes to introduce their company.

2. Compare and Contrast
   Next, the 1st team returns to the front of the class and takes 5 minutes to compare and contrast their company to the other company. Yup, you guessed it. Then the 2nd team gets 5 minutes to compare and contrast their company.

3. Rebuttal
   Then the 1st team returns for a 3 minute rebuttal of what the first team said. Then the 2nd team gets their 3 minutes at the front of the class.

4. Shoot out
   Lastly, both teams sit at a table facing each other and debate head-to-head. It’s always informative and might I say – fun.
