Field Epi 201: Practical Skills in Outbreak Investigation

**Registration Process**

To register, please go to:

https://www.nylearnsph.com/Public/

If you have already joined the NYSDOH’s Learning Management System, simply log in. If not, click on “Click Here” on the left upper hand side.  (below Login)

You will be asked to create a profile. Please complete all required fields and include your agency name in the first line of your work address, in addition to the Agency drop down menu.

Once you have completed your profile, please click on “Submit your Registration”. Please note: you DO NOT need to take the assessments. Simply move to step 1 below.

If you are already registered on the LMS, you DO NOT need to create a new profile.

You should now be logged into the NYS Department of Health – Learning Management System.

1. Under “User Menu” on the left hand side, please click on “Course Catalog”.

2. Type “UASPH-Epi201” into Course Keyword Search and click Search.

3. Click on the title of the course.
4. Click on “Enroll”

5. You will be asked to select the credits you wish to receive. You may choose from CNE, CME, or CHES. If you do not wish to receive continuing education credits or it is not relevant to you, select “none”. Click “Submit”.
Field Epi 201: Practical Skills in Outbreak Investigation

Registration Process

When you have enrolled successfully, you will see a message indicating that you have successfully registered for the course.

If you wish, you can confirm your enrollment by clicking on “My Courses” and check to see if the course is listed.

CONGRATULATIONS! You are now enrolled for the 5 week online course FE 201: Practical Skills in Outbreak Investigation. 😊

A Student Guidebook will be sent to you electronically the week before the course, with instructions on how to access the course. You will only need your username and password to access the course. It will be the same username and password you created/use for the NYSDOH’s Learning Management System.

Please contact Dawn Bleyenburg, Sue Brooks or Leah Connor if you need further assistance 518-402-0330.
