Writing a Successful Grant Proposal: Collaborations across domains

Myrna F. Schwartz
Moss Rehabilitation Research Institute
Philadelphia, PA

WICS Meeting, Chicago Ill November 13, 2008
Have a good reason
Know your collaborator
Consider geography
Two sites, with distinct activities
Partial duplication at remote site
Plan ahead!

- Research question
- Oversight model
- Respective expertise
Neuro-Cognitive Rehabilitation Research Network (ncrrn.org)

- Pilot funding (flyer)
- Consultation
  - Clinical methods
  - Recruitment infrastructure
  - Neuroimaging methods
- Methodology “white papers”
