

# Florence Lee

(586)-219-4420

[flee2@albany.edu](mailto:flee2@albany.edu)

---

---

## EDUCATION

**University at Albany, SUNY** Currently Attending  
Ph.D, Anthropology  
Albany, NY

**Wichita State University** Dec 2015  
Master of Arts, Anthropology  
Wichita, KS

**Michigan State University** May 2013  
Bachelor of Arts, Anthropology  
East Lansing, MI

---

---

## RESEARCH INTERESTS

Human Biological Variation | Immunology | Environmental Toxicants | Etiology of Disease |  
Quantitative Variation | Biocultural Anthropological Contexts |

---

---

## POSITIONS

**Graduate Teaching Assistant**  
ANT 318 Anatomy and Physiology II Present  
ANT 316 Anatomy and Physiology I Fall 2016  
ANT 119 City and Human Health Spring 2016  
ANT 211 Human Population Biology Fall 2015

**Lab Instructor** Fall 2016 - Present  
ANT 318 Anatomy and Physiology II  
ANT 316 Anatomy and Physiology I

**Lab Director** September 2014 – May 2015

- Had overseen both administrative and technical operations of the laboratory
- Managed laboratory inventory, establishing preventative maintenance schedule for equipment
- Conducted collections management coordination
- Had overseen student lab projects

**Graduate Research Assistant**

January 2013 – May 2014

- Provided assistance with the preparation of project-related reports and manuscripts
  - Performed descriptive and multivariate statistical analyses of data, using computer software, such as SAS
  - Prepared tables, graphs, fact sheets, and written reports summarizing research results
- 
- 

**RESEARCH EXPERIENCE****Wichita Biological Anthropology Lab**

September 2013 – May 2015

Researched human craniometrics and biological distance using descriptive and multivariate statistical analyses

**Nubian Bioarchaeology Lab**

November 2011- May 2012

During my time at the lab, I was able to help categorize the remnants of the Nubian people by estimating their age and sex through my knowledge of osteology. In doing so, I also helped prepare the skeletons to be shipped to their final destination at the British Museum.

**MSU Archaeological Field School**

May 2011 – August 2011

The field school took place at Michigan State University and I received hands-on training about the experience needed to become an archaeologist. This included surveying and properly excavating sites of interest, competent knowledge and input of various data and helping with the research of an esteemed archaeology professor at Michigan State

---

---

**FELLOWSHIPS****Recipient of FLAS Fellowship**

September 2011 – May 2012

September 2012 – May 2013

The reason I was given the honor of receiving this fellowship was because I showed high academic achievement, am studying a higher level Asian language, and will use my skills and knowledge in helping others develop a wider knowledge and understanding of other cultures and languages.

**Recipient of Korean Language Fellowship**

December 2011

I was presented with this fellowship as a result of my outstanding progress and diligence in learning the Korean language. I was chosen out of the many in all four years of Korean so I can keep improving and spread awareness of the Korean culture and language.

---

---

**PUBLICATIONS & PRESENTATIONS**

April 2014

**Lee, Florence.** Sexual Dimorphism in the Human Cranial Vault: A Study of Size and Shape Variation in Two North American Samples. 91<sup>st</sup> Annual Meeting of the Central States Anthropological Society. Normal, IL.

---

---

**HONORS AND AWARDS****GSA Professional Development Grant**

March 2017

**GSEU Professional Development Award**

April 2016

**Jackman Scholarship**

Graduate Research Assistantship

August 2014 – May 2015

January 2014 – May 2014

**Central States Anthropology Conference Travel Grant**

October 2013

Wichita State University, Torrence &amp; Wyonne Townsend Bone Fund

---

---

**FIELD EXPERIENCE****Recovery of Sedgewick County Plane Crash**

Fall 2013

Helped facilitate the recovery of remains in plane crash in Sedgewick County, KS in conjunction with the Sedgewick County Coroner's Office and National Transportation Safety Board

---

---

**PROFESSIONAL AFFILIATIONS****Human Biology Association**

Student Member

September 2016 - Present
