

DON'T BURST YOUR BUBBLE

STUDENT
AFFAIRS

WAYS TO AVOID BURSTING YOUR BUBBLE

- **If your bubble bursts, COVID-19 disease spreads**
- Keep your bubble to 10 or less
- Masks on, even inside the bubble
- Avoid mixing bubbles without protection (mask, distance, hygiene)
- Keep your roommates/family unit safe by continuing to follow public safety guidelines

OFF CAMPUS

- Avoid attending large gatherings
- **Wear a mask** when socializing with anyone you do not live with (even if they visit your off-campus apartment.)

ON CAMPUS

- **All students & visitors must wear a mask when inside buildings.**
- Your family unit = Your roommates/suitemates. You are NOT required to wear a mask around them in the privacy of your suite/bedroom/apartment.
- **Family Unit + Your Bubble = Masks must be worn** while your friends/guests are in your suite/bedroom/apartment.
 - Your bubble = Any friends you regularly hang out with. **Masks must be worn in your bubble.**
