A tuition scholarship is requested for the following externally funded graduate student:

Name: __________________________________________________________

Stipend: _______________________________________________________

Type of Award: ______________________ ______________________

Assistantship Fellowship

Tuition Scholarship Requested
(Number of Credits Per Semester): ________________________________

Length of Appointment:

Academic Year Fall Spring

Source of Funding:

Account Number

Expiration Date of Grant: ________________

Project Directors should attach evidence that a request for a tuition scholarship was petitioned for in the grant/contract proposal, which is being used to support the applicant named above. If no such request or commitment is available, a rationale for a tuition scholarship should be provided.

Please attach copies of appointment papers.

Required Signatures:

Principal Investigator: ____________________________________________

Department Chair: ______________________________________________

Dean: __________________________________________________________

This form must accompany the Application for Tuition Scholarship Award form and have all three of the above signatures in order to be processed at the University level.

Please return this completed form to Kathy Gersowitz, AS 217.
