

## **A SEMINAR ON ETHICS AND RESPONSIBLE RESEARCH**

**DAN THOMPSON, M.D., M.A., FACP, FCCM**

Dr. Thompson is Professor of Surgery and Anesthesiology, Chair of the Committee on Research Involving Human Subjects (IRB) and is a member of the IRB at the New York State Department of Health. He teaches research ethics and the ethics of end of life in the masters program in bioethics at AMC. Dr. Thompson has been Chancellor of the American College of Critical Care Medicine, and Chair of the Ethics Committee of the American College of Critical Care Medicine/Society of Critical Care. He is the recipient of the Distinguished Service Award and the Grenvik Family Award in Ethics from the SCCM.

This special seminar presentation is targeting undergraduate students who are interested in conducting human subject research and those who are interested in health-related research or social science graduate degree programs.

**APRIL 27, 2011 • D'AMBRA AUDITORIUM • LIFE SCIENCES BUILDING • 6:15 PM**

**University at Albany, 1400 Washington Avenue**

**LIGHT REFRESHMENTS WILL BE PROVIDED**
